Speed the Light Project 2020: African Water Wells = \$50,000 ea.

This year at Winter Retreat we were challenged both individually and as a youth ministry to set a goal for ourselves for the 2020 STL project. This year our STL project is the **Clean Water Initiative**. Students set personal goals and together we set a group goal of **\$6,000**. I encourage you to challenge

your child to follow through with their commitment by **PERSONALLY GIVING** each week in our STL offerings and by **CORPORATELY GIVING** through group fundraisers. We need each student to be invested if we are going to meet our goal and my desire is that we **EXCEED** our goal! Our first fundraiser is on **FEBRUARY 9th** and we need **EVERYONE** there! We are going to meet at the church at **3:45 p.m. to set up and thats what time we need all youth to be there!** The dinner starts at 6:00 p.m. and will be by donation!
