HAPPY FATHER'S DAY

Dad's be sure to pick up a special gift we have for you in the church lobby. Also, we still have a special Mother's Day gift for all Moms who were unable to pick up their gift on Mother's Day.

Welcome Back!

We're so glad to be able to gather again in the house of God for worship and fellowship! The priorities for our (re)gathering are twofold: create a meaningful worship experience and to do it safely. Our staff has worked diligently to welcome you back to our campus even though our reality is much different than our pre-pandemic church experience.

We will be abiding by the Center for Disease Control and our Commonwealth guidelines as we re-enter the building. Please wear a mask on your way in and as you exit the sanctuary. You may remove them once you're seated. Please sit at least 6 feet apart from others unless you are related or live with them. If you need to cough or sneeze, please cover your mouth or use your elbow. We discourage greeting others with physical contact, such as handshaking or hugging. Elbow bumps are permitted! Children are to sit with their families since there are no children's programs up and running yet.

There's more information on our church website. Our service is being live-streamed for those who are not able to join with us yet. Our prayer is that these restrictions will be short-lived, but we do appreciate your cooperation as we look out for one another! We will start meeting in the building on Wednesday evenings for "*Prayer & Share*" beginning this Wednesday, June 24th.

Over the last few months, we have experienced an unprecedented disruption in life-as-we-know-it. But our church has risen to the occasion. Your willingness to hang in there, in the middle of a unique challenge, has reminded me once more that our church family is incredibly faithful and generous! Thank you for your patience and your attentiveness to God over the long-haul of adversity. The experience has left an indelible mark on all of us.

Our mission is still the same: *“Impacting the world with God’s love!”* Let’s celebrate together the goodness of God as we offer praises and worship to Him!
