### Dear Parents,

*The New Year is here and it is an exciting time for many, because it symbolizes a "fresh start."*

It is popular for people to make resolutions @ the beginning of the new year. Many people have high hopes for change in the New Year. Many are hoping that this year will be different! I've heard many people say: "2012 was the worst year ever, I'm hoping 2013 will be different." If you truly want to make 2013 the best year yet; give your life to Jesus, because he makes all things new! Scripture says in:

**2 Corinthians 5:17**

**New International Version**

**17** Therefore, if anyone is in Christ, the new creation has come: **[a]** The old has gone, the new is here!

Christ offers us a "fresh start" when we give our life to Him! He doesn't just make us better, he doesn't just make us over, he makes us a brand new creation!

This January we are announcing our summer 'Youth Mission Trip' to Orlando, FL. We encourage all youth to be a part of this trip, it will be a life changing experience. On this trip we will be working with Convoy of Hope & Compassion Ministry. We will also be performing dramas, leading VBS ministries and much more! Please mark your calendars to be at the information meeting on **January 30th @ 6p.m.** Also, we have some different fundraiser & events coming up @ both the end of January & the beginning of February, please make note of those as well.

It is a privilege to work with your child, and as always if I can be of service to you in anyway please do not hesitate to ask.

**In His Service,**

**Pastor Jessica Bryan**
