Dear Parent's,

The month of October was an exciting month for us at Calvary Assembly of God. On October 28th we held our annual "Light the Night" event. This year we expanded our event by taking it outside the church building; re-naming the event "Light the Night- Block Party," and that is exactly what it was. We experienced a wonderful night of being the light of the world to over a thousand people in the community of Waynesboro! I would like to personally thank each person that helped in making this event a real success!

The month of November also yields ways in which we can reach out to our community. On

November 20th the youth will be preparing a meal for those at the New Hope Homeless shelter. Sometimes all we have to do is walk across the street to find those in need.

We all go through different seasons in life, some where we feel we have more or less to be thankful for; however no matter the circumstance, as Christians we have at least one thing we can be thankful for, and that is our salvation through Jesus Christ.

The month of November continues with exciting events and they are as follows: **VFCC Break-away (Nov. 11th & 12th)**, **Youth Thanksgiving**

Feast (Nov. 17th), **New Hope Homeless Shelter (Nov. 20th)** and the **All Church 1hr. Thanksgiving Service (Nov. 24th)**. Please take time to mark these dates on your calendar!

We appreciate the opportunity to work with your teens. Thank you for the awesome privilege! May God bless you richly this Thanksgiving season!

In His Service,

Pastor Jessica L. Bryan
