## Dear Parent (s),

It's hard to believe school has already been in session for almost two months. Last month many youth around the world stood around their school flag pole, and offered up prayers for their school, teachers, family and friends. I was proud to see many of our very own youth in attendance. I was also informed that some of our middle school youth participated at their school's "See You At The Pole" event as well. What a wonderful thing to stand around a school's flag pole and pray to our heavenly

Father on behalf of the lost and the hurting in our schools and in our community.

Over the next few months many exciting activities are planned for the youth at Calvary., which are listed below. We ask that you read over the list carefully, so that you don't miss out on anything!

Also please take note of all the different upcoming practices for both Worship Team as well as Fine Arts. Worship Team practices will take place on Wednesday evenings at 5:45pm, and Fine Arts practices

will take place on Monday evenings from 6:45pm-7:45pm. The church website will also contain practice information. If you have any further questions concerning practices please feel free to call.

Again parents thank you for all of your help and support. Thank you for your faithfulness in assisting this ministry, as well as the kingdom of God.

**In His Service,**
