

St. Titus One Power Word

May 2014

The month of May brings to mind beautiful flowers reminding us of all the wonderful benefits of **God**.

Well at least that's what comes to my mind, what about yours? These days are filled with death and destruction as the norm. When will it change for the better?

The Holy Scriptures reminds us in Jeremiah 29:11 that he knows the plans he has for us, to prosper and to do us no harm...

So why do we consistently promote the things that do not reflect our belonging to the **God** with plans for us, to do us no harm.

Why do we not trust in the **God** of our salvation to bring us the prosperity he has for us, maybe it's because we have dismissed him as our **God**. The way we have been living surely does not reflect our creator, so it must be that we reflect the god of this world, Satan.

If we truly belong to our heavenly father then there ought to be some evidence to suggest the same. It's May people not only by the calendar, but also spiritually. It's May, the time of our **God** presenting us as his beautiful floral arrangement to this jacked up world bent on death and destruction.

Come back to the **God** responsible for the very breath we breathe and for the wonderful peace he offers. Don't put your trust in man whom cannot seem to stop his own destruction. Get to Church and renew your trust in **God**, the one that controls the future!
