

St. Titus One Power Word June 2014

Help:

This year is zooming along and it's already the month of June.

God has brought us far in our endeavors, yet we somehow seem still so far away from where we should be, in fact from where **God** expects us to be. We need **Help!**

Help from our own worldly way of treating one another. In fact staying on the path we're on is so destructive it has become the catalyst for our broken relationships.

Our relationships are so torn; remember they reflect our relationship with our **God!** We don't have to look very far to see that we fail in our quest to coexist with each other, whether it's in friendship, marriage, church life or **Christ**.

Help:

It's hard to comprehend the magnitude of our struggle when one considers how much our **God** is ready to **help** us. **God** says that we can do all things through **Christ**. **God** has even told us through **Christ** that he would never leave us nor forsake us, yet we waddle in despair. **Help!**

Yes **Help** is clearly what is necessary in these times, but are we willing to receive it? Remember that it was because of such situations that **God** sent Jesus to bear our judgment.

Return to the **God** of our salvation, accept the available **help** while we still can. This can be a time of refreshing, come to **God's** house and give yourself away again, but this time to **God** and nothing else.
