

St. Titus One Power Word

September 2014

Resistance

These days we find **resistance** in every area of our existence, from breathing to living.

Resistance

This word is defined as opposition or something/someone against another.

Resistance

We can't move without the forces of resistance hindering our progress. There is **resistance** that can be seen as positive when we decide to oppose wrong actions, but even this **resistance** can be met with **resistance**. Satan will not tolerate you just attempting to **resist** wrong actions and will fight against it.

This world is full of us (people) and we determine the course of society, so when we **resist God's** ways then we are left to our own imaginations and worldliness abounds. The word of **God** says that "*we were born in sin and shaped in iniquity*"...

When we consciously choose to stop **resisting God**, he will fix our every issue no matter what. The bible teaches "*resist the devil and he will flee*". Get back to fellowship with our creator **God** and stop that **resistance**. Remember "*Greater is he that is within you, than he that is in the world*".
