

St. Titus One Power Word

November 2014

THANKS!

“In every thing give thanks: for this is the will of God in Christ Jesus concerning you”. These are the words of 1 Thess. 5:18 KJV.

When I think of the Month of November I can't help but to think of Thanksgiving. Now in all gravity of thought, I remember November also for my wife's birthday as well for cold and snow, but Thanksgiving is the special holiday of all time for family, food and hopefully fun.

THANKS!

We in America can talk about how this celebration started, but can each family remember how for them it changed. For too many this day brings back bad memories and thoughts of wrong actions that have resulted in bad feelings.

THANKS!

We have gotten away from the direction our God gave us a long time ago. We have left our first love, which is God and have conformed to this world even when we were warned not to. We are struggling to love one another for real because we stopped truly loving God, and without true love toward God we cannot truly love anyone nor anything. To love for real we would have to truly appreciate for real, to appreciate for real we would truly have thanksgiving. Thanks means gratitude, appreciation. Webster says: a good feeling that you have towards someone who has helped you, given something to you, etc.

THANKS!

This time around and everyday besides lets all thank God for the things he has and will do in our lives by sincerely loving God and all others for real! Get to Church and let God handle everything else.
