

St. Titus One Power Word

January 2015

Fresh

“Happy New Year”, wait, what? Yea! “Happy New Year”. That’s what we hear just about everybody say as we change from one year to the next.

“Happy New Year”. As we go from December 31st to January 1st.

Fresh

I think that we should investigate the exclamation further. What really is the big deal anyway, isn’t it just another day? Possibly!

Fresh

Sure we can say how grateful we are that our **God** has brought us this far and we know it was not because of our obedience to his **Word** but by **his** “Grace”.

Fresh

I may be by myself, but I see how excited I get remembering that **he** told me **he** had “*brand new mercies*” for me every morning, and how even during the difficult times **he** said *my “weeping may endure for a night, but Joy cometh in the morning”*. For these and many others I get overwhelmed by **his** Goodness.

Fresh

Fresh invokes the notion of being “*brand new*”. You see that’s what he made me and because of that change, I have been set free from the agony that a possibility of eternity in Hell brings. When you know what I know and believe like I believe then you too will see this year’s newness as **Fresh** just like my **God** is “**Fresh**”.

Why not come to Church looking for the freshness of God so that you too can leave telling it on the mountain top of how fresh God has made you. Get to know him better with the fresh start a new year brings. ”Happy Fresh New Year!!!
