The Beat

May 2014

May We Honor You?

May is the month that we Honor our Police Officers, Deputies, P&P, State Troopers, Forest Service Law Enforcement, FBI, CIA - All Law Enforcement Officers should be honored this month for their willingness to influence our communities and maintain a standard of Peace and safety for us all.

The Officer Down Memorial Page identified that 105 officers died in the Line of Duty in 2013; the lowest it's been in decades. The LODD numbers for 2014 are presently at 33. This sobering reminder should be an influence that although some of us might have mixed emotions with our Law Enforcement Family they stand in the doorway of harm's way even if it means giving their lives for the community - to maintain a standard and create peace.

They are not perfect - they make mistakes - they are husbands and wives - Moms and Dads - Grandma's and Grandpa's - they are our children. They run into the very places and events that everyone else runs away from. They are willing to lay down their lives - they are our peacemakers. The job they do is often unseen and goes without much gratitude. Their

responsibilities often create cumulative stress that erodes there opportunity to stay healthy. When they engage the unbelievable it impacts their minds and hearts with the unthinkable.

Most of them will have not heard the words Thank You.

This month I want to challenge all of us to take the time to say thanks to our Law Enforcement Family. In light of the fact that they have an incredible responsibility and a huge influence for all of us - a Thank You will remind them that we Honor them and are thankful for their commitment to keep us safe. Wear a blue ribbon and thank them like they have just saved your child from being abducted or like they had just ran into the house on fire to save your family or like they had just stood in harm's way to protect you because they would and they will. To our Central Oregon Law Enforcement Family - THANK YOU - WE HONOR YOU.
