The Beat

Greetings

We have had a fast pace and exciting summer and now we are looking forward to fall! Transition - going from one position to another, one event to another - change! "Change is necessary" I heard someone say this week - "I just don't necessarily like it" they finished. It can bring a sobering attention into our lives and activity.

Sometimes obstacles happen to get our attention. It can bring a pause that allows us to measure the intention of our lives.

This month you will see some leaves change, schedules will change, activities will change that will hopefully allow us to measure why we do what we do at times. It's all Good!

I'm glad for the consistency of God in our lives - He's always

there, willing and able to be involved especially when the attention bell goes off. Maybe, He's the author of the Attention Bell! *He is the Same Yesterday Today and Forever* - Hebrews 13:8

You Are Appreciated

COPC Chaplains

The Chaplains of Central Oregon Police Chaplaincy provide the crucial services that support the region's First Responders and the community. On an on-call basis, 24 hours a day, seven days a week, COPC Chaplains are dispatched to calls including deaths (Code 99s), death notifications, drownings, fires, homicides, hospital transports, infant and child deaths, motor vehicle accidents, search and rescue, suicides, and more.

In addition, COPC Chaplains provide confidential personal counseling and mentoring, hospital and home visits to assist in healing and provide support, critical incident stress debriefing and defusing for First Responders and the community following traumatic events. They officiate at ceremonies including funerals, weddings, celebrations, dedications, and other events. They do ride alongs and visit the First Responders at the agencies throughout Central Oregon. They also are involved in administrative duties, attending meetings, making community contacts, and fundraising.

Monthly training is offered to the COPC Chaplains, First Responders, and others; training to help Chaplains, Emergency Services Personnel and their family members maintain healthy relationships.
