# The Beat

### Greetings COPC Friends and Family –

Summer is here and my house is Painted!!! Boy, is it good to get some things done – I mean D O N E - Dunn! Reports, Taxes, Weeding possibly shopping something's are good to have completed. That's when you look at the person next to you and say – Let's not do that again for a while! Other things you want to stretch out as far as you can – walking on the beach, catching a nice German Brown Trout, eating some ice cream, good steak dinner are just some of the things you want to make last as long as you can. I will always be amazed with how much God Loves and Cares for us – it seems to last forever – it is forever. Just like some of the things that we think we are done with God is never done with us. Boy am I glad. He has a lot of work to do on me. It is going to take a long time – longer than painting my house! Did I tell you that I got my house painted? I still see some places that I missed – so does God! Thanks for your help and

support with the Chaplaincy – we have a lot going on and we need your support – thank you for all you do. You Are Loved - pj

It is our mission, while in contact with the community, to care for the troubled and those who have endured loss, been victimized by the events and tragedy that have left them abandoned, helpless and without hope.

Here's some of who we are and what we do ...

- Confidential Personal Counseling – to police officers and emergency services personnel, their families and the community.

- Ride-alongs with officers and emergency services personnel, encouraging and establishing trust, identifying with their daily pressures and responsibilities.

- Emergency Services – Chaplains are available for on-scene support for all crisis intervention and assistance when needed.

- Hospital and Home Visits – to assist in healing and support ministry.

- Providing Critical Incident Debriefing and Defusing – following a critical incident or traumatic event, for officers, emergency services personnel, and the community.

- Officer Training and Public Awareness – to help the officer and emergency services personnel and their family members maintain healthy

relationships to enhance their careers. To educate the community through classes in schools and Citizen Academy events.

- Officiating Services – celebrating with officers and emergency services personnel and their families in Wedding Celebrations, Vow Renewals, and Baby Dedications. Providing pre- and post-marriage counseling and officiating at funeral services, for officers, emergency services personnel, and our communities.
