# The Beat

February 2013

### Bug Hatch!

Some folks have no clue! I have heard this statement on more than one account it reflects on the concept that some people cannot comprehend an obvious outcome. I have used the term within the last little bit – “it is hard to fix stupid” I know when my Mom reads this I will get in trouble for using the term Stupid. All of it relates to what some can perceive as activity or conduct that should be avoided in every situation. It may as well identify some activity that will be disclosed or enjoyed in the near future. This is not a riddle!!!

I am ready for the warm weather and some folks don't get that while we anticipate – it is like 50 degrees with no clouds in the sky – a change for the better. We are ready for whatever warm can deliver. We will also be complaining – some will – that it is just too hot. Seems like we struggle to be happy with what we have and what comes our way until an event or a change rattles our bubble. Some things are the

same. No matter what the weather or the whether my Faith Still Holds.

The International Critical Incident and Stress Foundation has identified that our foundation of Faith directly impacts how resistant and resilient we can become empowering us to a sustainable posture given a whole lot of yuk coming at us! That is a mouth full no doubt. Like most things that are good for ya, you have to work at it a little at a time.

That's one of the reasons for winter – allows you to slow down hopefully so you can store up and build up reserves. Then the Bug Hatch comes – when little bugs start hatching the fish go bonkers this time of the year devouring all of the protein. It puts a spring in my step to know it won't be long and I *should* be fishing somewhere. A good hobby will also assist our first responders with managing their stress levels and building resistance and resiliency. I am looking for ways to create Resistance and Resiliency for my life – what are you doing? COPC prays that we all will

recreate in our lives a happy step – here comes a bug hatch again!!! – Jim

### COPC Hydro Flasks

Chaplain Jim Crowley, RF&R Deputy Fire Chief Dave Pickhardt and the rest of the COPC Board have purchased a bunch of Hydro Flask bottles that are engraved with the COPC logo on one side and have the white Hydro Flask logo on the other side. They are the 21 oz. bottle with the standard mouth and the 40 oz. bottle with the wide mouth – both in Everest blue. **The cost is \$25 for the smaller one and \$35 for the larger one.** Contact a COPC chaplain or board member near you to get one for yourself or as a gift for someone else.

THE MT. BACHELOR ROTARY

### News & Events

- **COPC Chaplains Training** –  
First Tuesday each month from  
0900-1200 hours usually at the  
COPC office in Bend.

- **COPC Board Meeting** –  
Second Thursday each month at  
the COPC office from 0830-1000  
hours.

- **DCSO Corrections** –  
Chaplains Crowley, Dismore,  
Jemes, and Wright continue to  
meet weekly for a lunch with  
the Corrections Family.

### Prayer Requests

- Marriages of our Fire, Law  
Enforcement and Dispatch  
families. Our Chaplains meet  
weekly with officers, firefighters  
and dispatchers that request  
our assistance and prayers for  
their families.
- Covering of His Grace,  
Wisdom and Protection on our  
chaplains, agencies and families.
- There are many First  
Responder Families facing  
illnesses, surgery, and other  
physical ailments. Keep them  
and their families in prayer.
