The Beat

Greetings COPC Friends and Family –

Greetings – We often have the privilege to be called to something Happy. When it is time for my Lab to eat she really gets her happy dance on – there are somethings in life that just put you in a good mood – vacation, day off, unexpected finances showing up – and, you get to keep them!!! Saturday was an awesome day being asked to renew the vows of a couple who had already been married for 26 years. What made this a Happy Dance moment was that the couple had gone through two different bouts of cancer – treatments – hospital – not so happy. They decided that no matter the circumstances Happy Dance. So, in front of friends adult children, grandchildren and who knows fellow campers at a Camp Spot on the shore to the surprise of everyone when the Chaplain showed up we renewed a Covenant – Happy Dance! These are some of the awesome times of helping the community – This is a Day that

the Lord had made – we Rejoiced and did a Happy Dance. Thanks for your help and support that gives us this chance to take care of the community. - pj

Thank You!

First Baptist Church of Bend asked Chaplain Jim Crowley, other COPC Chaplains and Board Members to attend one of their church services on Sunday, August 5th. They asked COPC to give an update about our calls and activities. First Baptist Church of Bend is one of few local churches who help support COPC with a monthly financial gift. Following the service they hosted a luncheon for the chaplains, board members, and family members in attendance. During the luncheon First Baptist Church staff members presented COPC with a check for \$2,000 and said they were also increasing their monthly gift. Thank you First Baptist Church of Bend.

ICISF Training

Chaplains Jim Crowley and Mike Dismore are preparing to attend the International Critical Incident Stress Foundation Group Crisis Intervention

Approved Instructor Course offered October 10-12 in Regina, SK, Canada. It will be a great opportunity for them to become Approved Instructors in this course and be able to offer classes locally to First Responders and others involved with the Central Oregon Critical Incident Stress Management (COCISM) Team. They are asking for assistance with the costs of the training from a couple of local groups and agencies. The costs include registration, tuition, travel, lodging and meals. If you would like to help with the costs of this special training send a check to COPC and write ICISF Group somewhere in the memo or on a note enclosed with the donation. COPC tries to offer the latest and most up to date training available for our chaplains and First Responders.
