### Puppet Show

Sandy Oudenhoven was the puppeteer for the Women's event for Mother's Day. Looks like the kids were having a great time!!

### Landscaping around PoP

Landscaping has begun around Prince of Peace which is all part of the remodeling that took place last summer. Because of the cool, wet spring, the landscapers were able to get their work done at PoP when it FINALLY warmed up some.

## Be Curious!

*Then [Jesus] said to the man, "stretch out your hand." And the man stretched it out, and it was restored . . .*  
- Matthew 12:13

This little healing story is packed away between much larger and more important stories of Jesus' earthly ministry. The healing of the withered hand is not the issue. The issue is that Jesus has authority to heal on the Sabbath day. But putting aside all the commotion and thunder between Jesus and his enemies on this point, I have wondered about that obscure man with the hand that didn't work. He's present in Scripture for only a moment's flash, and then he disappears again.

Well, what of this man? There he is just minding his own business on a fine Saturday afternoon when he witnesses the discussion about the Sabbath that Jesus was having with others. With his curiosity aroused, the man gets himself in such a position that he can watch and hear what's going on. It's then that he catches Jesus' eye. Suddenly he's an innocent bystander no longer! Jesus calls him to come forward, and every eye is upon him. Now he's on center stage. Curiosity is said to have killed a cat, and this man could testify to that belief! What was a nice afternoon, now becomes a deadly quarrel.

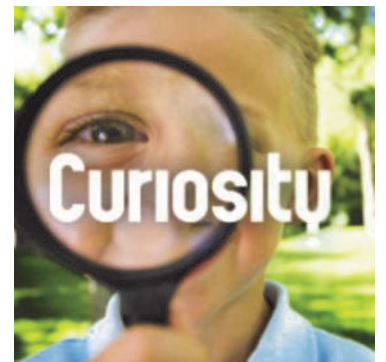

Jesus gives the command, "Stretch out your hand," and the miracle happens. The man's new condition becomes living proof of Jesus' power. But did that healing bring rejoicing or even an end to the argument? No. The Pharisees grumpily steal away and plan to get Jesus the next time.

The lesson here is that there are no innocent bystanders in this feud between Jesus and the others. The man with the withered hand isn't a bystander, and neither are we. Out of his deep, insatiable love for us, Jesus might just choose to use us. He may pick us out of the crowd for some special task. "Stretch out your hand," he may say, and he may be asking for your help. The best way to find out is to be in the presence of God. See him out, and God will use you! If we go in a positive way, expecting Christ to use us, then we have opened up ourselves to his possibilities. Like the nameless man with the withered hand, be curious!

See You in Church!

Pastor Gary J. Nokleberg

## Our New Bishop—Gerald Mansholt

Several hundred ELCA delegates in the East-Central Synod of Wisconsin gathered last month at the K-I Center in Green Bay to elect a new bishop. Bishop Gerald Mansholt, who already was serving the Synod as Interim Bishop, was elected on the fifth ballot. Prince of Peace's delegates to the Synod Assembly were David Erickson, Richard and Nadine Gade, and the pastors.

Bishop Mansholt comes to us from the Central States Synod (Missouri and Kansas) where he served as bishop. Our prayers are with our new bishop and his wife, Anita, as he begins his responsibilities on July 1. He will be installed as bishop by Presiding Bishop Elizabeth Eaton in September.

**June is Personal Care Kit Month**

When natural disaster strikes or political conflict flares, families often have little chance to gather their belongings before fleeing the danger. They arrive in a refugee camp or other place of safety scared, vulnerable and dirty from the travel. The simple items included in a Personal Care Kit allow them to wash away the dirt and sweat, with the fresh scent of soap and the softness of a towel as reminders of someone’s care and concern for them in their plight.

Please consider bringing the items mentioned below to church with you some Sunday in June. This year we didn’t do “Baskets of Promise” during Lent, so lets be generous NOW.

**The items needed are:**

- Light weight bath-size towels (maximum 52” X 27”), dark color recommended
- Bath-size bars (4 to 5 oz.) of soap, any brand, in original wrapping
- Metal nail clippers (attached file optional)
- Sturdy combs (no picks or fine toothed combs)

Items may be put on the white rack in the storage room behind the library. If you prefer to give a monetary donation, please make checks payable to WELCA, noting LWR Kits, and send to Jeannine Bultman, W6072 Cornflower Drive, Appleton, WI 54915. Questions? Call Lorraine Krenz at 993-1880. Thank you for your support.

The Chris & Mary Beth Linn ChristCare group served lunch at a Habitat build recently. Our PoP members are involved in service!!

# ANNOUNCEMENTS

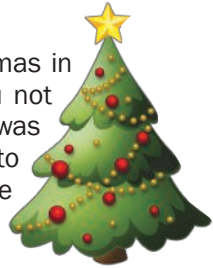

## Box Top Labels

Thanks for saving the box-top labels! Please continue to save them. The collection box is located above the mailboxes in the hallway by the Music Office. We NO longer accept milk caps or soup labels, JUST box tops.

## Christmas in August

Looking for a worthwhile project to dig into? Christmas in August is right around the corner. For those of you not familiar with Christmas In August, this program was organized 19 years ago as a way for families to experience and teach the joy of giving while at the same time, providing a needed service in the community. This project partners Social Concern Ministry and Outagamie County Health and Human Services to provide 100 area K through 8<sup>th</sup> grade children with new jeans t-shirt, sweatshirt, haircuts and shoes so that they can start the fall school year looking good and feeling good about themselves.

Take the opportunity to shop with your children or grandchildren knowing that the clothes they are picking out will make less fortunate children excited to go back to school. This worthwhile project cannot be successful without your help and active participation. Keep an eye out for the Christmas trees in the entryways in late June. Please take an ornament or two, purchase the item and place it back in the boxes provided with the ornament attached by Sunday, August 10<sup>th</sup> OR take a cash envelope and place it in the collection plate during any service.

Call or email Nette Kimball 851-4032, [nettekimball@yahoo.com](mailto:nettekimball@yahoo.com) if you have any questions.

## Combined Bible Study

Join the Women of the ELCA for the combined Bible study which will be led by Pastor Gary on Wednesday, June 11 at 6:30 p.m. There will be cake, cookies and punch following the Bible study. This will be Pastor Gary's last time for our studies. We hope to see you there.

# EQUIPPING/HELPING HANDS

## Spiritual Gift Monthly Spotlight—Discernment

There are different kinds of gifts, but the same spirit. There are different kinds of service, but the same spirit. There are different kinds of working, but the same Lord. There are different kinds of gifts, but the same God works all of them in all men. Every Christian is a minister! Every Christian is gifted for ministry! The Holy Spirit is God's living presence in Prince of Peace Lutheran Church, and he bestows spiritual gifts on all members, enabling us to minister through the church and our daily work.

**Discernment** - the gift that motivates a believer to see God's will and purpose and apply that understanding to individual and congregational situations.

**Biblical References:** John 16:6-15, Romans 9:1, 1 Corinthians 2:9-16

## Summer Fellowship Between Worship Services

The Witness Ministry is happy to be hosting the bagels and juice fellowship time in between worship services this summer. Bagels and juice will be provided with a good will offering! This is a great opportunity for fellowship at Prince of Peace!

## Where was God in your Life this month? Where will God be in your life this summer?

Did God speak words of comfort to you during a difficult time? Did his mercy fill your heart when you needed forgiveness? Did you really feel the presence of Jesus in communion? Was his body and blood alive for you? Did you find time to ponder God's wisdom in the Bible? Did a Gospel reading or sermon speak directly to you?

Did you say a quick prayer for a parking space and someone pulled out of one right in front of you? Did you feel him in your heart when you were talking to a friend or family member with cancer? Did you see God in the smile of a child when you praised him for job well done? Was God in a sunset or the beauty of a colorful flowering crab apple tree? Did you thank him? Was God there when you donated quarters to the Feed My Starving Children's campaign? How about when you wrote a check to your favorite charity? Was God there in your prayers for the victims of our country's weather disasters this year?

Did he stir up the spirit in you? Did he move you to do something new or different? Did he move you to try the same old thing in a new way or to look at the old with new eyes? Did you look for God in your life? Did you look for God in others?

Where will God be in your life this summer? God asks that you call upon him and seek him in prayer. Will you do that?

## CAPITAL IMPROVEMENTS/BUILDING FUND

### Important Update

It was announced at the Spring Congregational Meeting on May 18 that giving to the Capital Improvements/Building Fund had dropped off significantly. As we enter the summer months, **only 76% of the pledged funds for January-April** have been received. The Stewardship Ministry would like to heartily thank you for your faithful giving to the improvements made to our church home. The changes were needed, and we now enjoy them. Please check your records of giving to the Capital Improvements/Building Fund so that we can stay current in paying off our debt. Thank you!
