Thank You

On Sunday morning December 24, 2017, you, the congregation, provided a generous gift for Sheila and I which was presented by David Daniel. This gift was in addition to the beautiful Norman Lowell print we had received earlier in the Fall when I retired from preaching. We are humbled by your generosity and thank you for these expressions of your love. Truly, we shall treasure the gifts, but we will cherish much more the hearts from which they came.

Thank you, Robert and Sheila

Living Water Christian Mission

Serving Jesus in Gonaives, Haiti

Living Water Christian Mission is located in Gonaives, Haiti. Under the direction of Salonique Adolphe, the mission operates three churches and assist three others. They provide two elementary schools, one traditional high school and one high school for adults. They also operate a school to learn a profession and a farm. Eventually a seminary, will be built on the farm land. The seminary now meets at one of their other schools now. Many of the students need sponsors to provide meals and an education. Please consider sponsoring a child. They provide a health clinic for many in the neighborhood who would not otherwise receive health care. May God continue to bless all our loyal supporters. As always, we ask for your continued strength

prayers to give us
and resources to continue the mission's operation.

The Power of Unity

Jesus' Goal was Unity

Consider that Jesus came to earth to reestablish the unity that existed between God and humanity during the creation. God was not content for us to remain separated from Him in disunity. Instead, He implemented a plan that would come at a great price, the sacrifice of His own Son, so we could be reunited with Him.

Jesus DEMONSTRATED Unity in Diversity

Of all the people Jesus could have chosen to be the 12 disciples, it is very interesting to see who He actually put together. The easy route would have been to choose like-minded individuals with similar temperaments to establish unity. Instead, Jesus chose men of various backgrounds and personalities: fishermen, a tax collector, a militant

Jewish loyalist, a betrayer, timid men, arrogant men, doubters. And these are just a few descriptive words of the 12 disciples! Jesus chose very diverse men to demonstrate that in spite of their differences they could impact the world through unity.

Jesus MODELED Unity

Though we cannot fully understand all aspects of the triune God, we can see how God the Father, God the Son, and God the Holy Spirit are three separate beings unified in One. They play three distinct roles, yet function in total harmony. This is the example that Jesus referenced in His prayer in John 17:20-21 "I pray not only for these, but also for those who believe in Me through their message. May they all be one, as You, Father, are in Me and I am in You. May they also be one in Us, so the world may believe You sent Me." Jesus understood that when Christians are united with each other and with God, the world will recognize and respond to the salvation that He offers.

May WE BE United

So, may we not only listen to the words of Jesus' prayer, may we respond by be united regardless of our difference or preferences. I believe that the lost will see the power of God and the salvation He offers when we here at Kenai Christian Church work together, united as one and in One.
