

**National Baptist Criminal Justice Commission  
Annual Session Schedule  
September 5-9, 2016 | Kansas City, MO**

Greetings and God bless you! God opens doors that no man can shut.... Here is a brief update about what He has been doing. Please be governed accordingly.

We now have the potential for three nights instead of one. Two nights with the youth and one night at the Wyandotte County Jail. All total, we should be able to visit three youth facilities, two of them on the same night. They are right across the street from each other.

Pres Simmons has been successful in getting us into the County Jail. No clearance is necessary. Fantastic News!!!! the background screening requests are waived! We only need the front sheet of the application. Please complete the front sheet and get it to me by the original deadline. Make sure you sign anywhere there is a signature request.
