NATIONAL BAPTIST CONGRESS OF CHRISTIAN EDUCATION – JUNE 17 – 21, 2019

COURSE OFFERINGS

The National Congress is a school that has a duty to have a meaningful curriculum and a well-planned commencement each year to celebrate the accomplishments and achievements of its students. The National Baptist Congress will continue to encourage and reward students who have been faithful to the Congress over the years and will help focus delegates as they come each year to study. The Congress will encourage enrollment in certain “core” courses, and reward those delegates for such discipline. Cards received before 1999 will not be processed. Original course cards must be submitted.

Courses in the Standard Leadership Curriculum, coordinated in the National Baptist Convention, USA, Inc. through the Sunday School Publishing Board are offered. Students also will be required to demonstrate proficiency in their respective fields of endeavor, based on their participation in the activities of the class and seminars to which they are assigned. This will permit persons who also take courses in State and District Congresses, institutes and other Leadership Training Schools to continue their work in the same general training program. **Attendance at the General Assembly sessions also is essential.**

Persons who meet the admission requirements may be assigned to any course they choose if classroom space is available. However, no credits will be awarded to students who are not officially assigned to the class they attend. **No credit for the same course will be counted more than once.** Students are required to wear badges in class.

Courses will be offered at 8:00 a.m., 10:00 a.m., and 12:00 p.m. – Tuesday through Friday. Because the standard for class attendance is ten hours, which includes attendance in the discussion groups, it is important that Congress delegates prepare to remain at the Congress through Friday to secure credit for the course. **Delegates can only register for one (1) class during this session of the Congress.**

Youth Department classes and lectures will be offered at 8:00 a.m. Tuesday through Friday.

DISCUSSION GROUPS

The Congress program offers discussion groups each day, Tuesday through Friday. Each delegate who is assigned to a course is simultaneously assigned to a Discussion Group. The purpose of the discussion groups is to relate the general thematic emphasis of the Congress to the work that the delegates engage in within their churches and to enhance their perspective and overview of the church’s educational program. For this purpose, the Theme Book specially prepared for the Congress is basic.

Each delegate is to report to his/her Division Assembly daily where there will be a general presentation that will draw together the salient material and the interest of the persons enrolled in the respective Divisions.

Group Discussion Leaders are required to attend the lecture of their divisions and to facilitate discussion on the lecturer and the Theme Book.

CLASS TRANSFERS

Class transfers will be handled in the Congress Registration area. Persons wishing to transfer from one class to another should complete the appropriate form in the Registration area ONLY. After the first day of classes, delegates should go to the class that they wish to receive credit for and make certain that their name is added to the class roll. All class transfers must be completed by Wednesday afternoon at 2:00 p.m.

NATIONAL BAPTIST CONGRESS OF CHRISTIAN EDUCATION – JUNE 17 – 21, 2019

SECURING YOUR COURSE CARDS

The Course Card Coordinator guarantees that all course cards for persons properly listed on the Form IV and received by Wednesday afternoon, 2:00 p.m., will be distributed to all classes by Friday morning at 10:00 a.m. Delegates are expected to attend classes on Friday. **Each delegate is required to pick up his/her card from his/her instructor Friday morning. Course cards will not be mailed.**

DUPLICATE COURSE CARDS

The Congress has computer records of class attendance from the 1998– 2018 sessions. Anyone who has lost a course card may check with the Dean's Office to see if such record is available on computer. There is a \$10 fee for each duplicate course card. If requested by mail payment must be in the form of a money order made payable to NBCCE. If requested on site, payment must be cash.

TEXTBOOKS

Textbooks may be purchased from the official Congress Bookstore. No textbook will be accredited that does NOT appear on the Dean's Official List or that has not been certified in the Dean's Office. **NO SELLING OF TEXTBOOKS OR OTHER MATERIALS WILL BE PERMITTED IN CLASSROOMS EXCEPT BY SPECIAL PERMISSION FROM THE DEAN.**

CERTIFICATES OF PROGRESS PROGRAM (COPP) AND OBJECTIVES

The Certificate of Progress (COP) Program is under the auspices of the Christian Education Department of the Sunday School Publishing Board and consists of four phases. Each phase in the program must be completed, including the receipt of course cards and certificates of completion, before a student can advance to the next phase. Upon completion of the fourth phase, the student will be issued a Diploma of Christian Education. Course cards dated 2003 to present may be used in this program.
