About The Sanctuary Fellowship:

Please check us out at tsf-church.com and be sure to review the doctrinal statements online.

The Sanctuary is a non-denominational church, although several of our Pastors were ordained in Southern Baptist Churches and educated at Baptist schools and seminaries. We remain non-denominational to accommodate the wide variety of denominational backgrounds, or lack of, represented in our culture and congregation. We believe the Bible is the Word of God from cover to cover as our sole authority for teaching, equipping, and training. Our theological position would be considered as affirming of many of the Scriptural doctrines represented by a Reformed theological position.

Please email resumes and questions by email to [hiring@tsf-church.com](mailto: hiring@tsf-church.com). Please include any links to teaching videos you may have. May God bless yourself and The Sanctuary Fellowship as we look for God's will in this position.
