# The Foreign Mission Board

National Baptist Convention

For 130 years *The Foreign Mission Board* has held firm to the Great Commission of Jesus Christ, as we have gone into all the world making disciples in His name.

Today we have active mission programs across Africa and South America. Everyday children are educated in our mission schools; Pregnant Mothers are cared for in our birthing clinics and Local Pastors get much-needed support to engage in full-time and vibrant ministry.

MAY 2013

My Brothers and Sisters:

All around us, we witness as life and nature come once again into full bloom. *The Foreign Mission Board* also experiences a renewed vigor and excitement in this *New Season of Missions!* Because of your support, there are mission stations with elementary and high schools, clinics and hospitals, bible clubs and churches in countries such as Malawi and Swaziland, Guinea and Sierra Lienne. Just to name a few!

In 1912 the Foreign Mission Board established *Suehn Industrial Mission* in the capital city of Monrovia, Liberia. During a 15-year Civil-War that lasted from 1990-2005 countless lives were lost, families were torn apart, and the Suehn Industrial Mission was destroyed. Once a place for children to learn and play and for a community to worship God, Suehn was destroyed; transformed from a mission station to a battlefield. Today, together the people of Liberia and the Foreign Mission Board are rebuilding Suehn.

We are constructing a new *Suehn Baptist Church* with the necessary worship space and meeting areas, so once again Suehn will be the center of a thriving worship community. The rebuilding cost total \$250,000. Every church or individual contribution over \$1000 will have their picture hung in the Wall of Honor inside the church lobby.

I also invite you to come to Liberia for the Ribbon Cutting Celebration in July 2013.

Let's Rebuild Suehn—Together—To the Glory of God.

Grace & Peace,

Rev. Nicholas S. Richards
