Students also will be required to demonstrate proficiency in their respective fields of endeavor, based on their participation in the activities of the class and seminars to which they are assigned. Attendance at the General Assembly sessions also is essential.

However, no credits will be awarded to students who are not officially assigned to the class they attend. No credit for the same course will be counted more than once. Students are required to wear badges in class.

All persons planning to receive a Recognition Award at the Annual Commencement Service are advised to report to the Dean's Office before Wednesday noon, during the Annual Session. Be sure to bring all original course cards and certificates that you have earned to date. The Dean's Office only recognizes cards that have been earned at a session of the National Baptist Congress. Courses will be offered at 8:00 a.m., 10:00 a.m. and 12:00 noon – Tuesday through Friday. Because the standard for class attendance is ten hours, which includes attendance in the discussion groups, it is important that Congress delegates prepare to remain at the Congress through Friday in order to secure credit for the course.

Youth Department Classes and lectures will be offered at 1:00 p.m. Tuesday through Thursday.

## **DISCUSSION GROUPS**

The Congress program offers discussion groups each day, Tuesday through Friday. Each delegate who is assigned to a course is simultaneously assigned to the same Division for the Discussion Groups (with the exception of Youth, Special Projects, Advanced Projects, and Minister's Divisions). The purpose of the discussion groups is to relate the general thematic emphasis of the Congress to the work that the delegates engage in within their churches and to enhance their perspective and overview of the church's educational program. For this purpose, the Theme Book specially prepared for the Congress is basic.

Each delegate is to report to his/her Division Assembly daily where there will be a general presentation that will draw together the salient material and the interest of the persons enrolled in the respective Divisions.

Group Discussion Leaders are required to attend the lecture of their divisions and to facilitate discussion on the lecturer and the Theme Book.

## **ADMISSION TO CLASS**

Each delegate is required to present an official admit slip to the instructor upon entering a class. Admission to each class is limited by designated space available.

## **CLASS TRANSFERS**

Class transfers will be handled in the Congress Registration area. Persons wishing to transfer from one class to another should complete the appropriate form in Registration. After the first day of classes, delegates should go to the class that they wish to receive credit for and make certain that their name is added to the class roll. All class transfers must be completed by Wednesday afternoon at 2:00 p.m.

## **SECURING YOUR COURSE CARDS**

The Ministers' Division is open to ministers and other interested persons. This division is designed to offer information and inspiration. There is one general seminar, which enables the speakers to relate to all persons in the Division. Seventeen smaller seminars enable the ministers to deal with specific issues related to the work of the church and the minister.

The director and staff, along with the presenters, are expected to register with \$100. Each participant is expected to register with \$75. This enables us to meet the budget for this department.

There is no prerequisite for enrolling in the Ministers' Division, although there are many ministers who choose to enroll in other courses in the Congress. Persons who have taken the Ministers' Seminar for at least four years will qualify to be admitted to an Advanced Project. Bring your course cards to the Dean's office by Monday.
