

Still Need Health Insurance?

Next Open Enrollment Starts November 15th

However, you may be able to still get covered through the Health Insurance Marketplace.

- See if you qualify for a Special Enrollment Period. If so, you may be able to buy a private health plan through the Marketplace.
- See if you're eligible for Medicaid or the Children's Health Insurance Program (CHIP). If so, you can enroll any time of the year.

Visit HealthCare.gov. Call the Health Insurance Marketplace call center at **1-800-318-2596**, 24 hours a day, 7 days a week. TTY users should call 1-855-889-4325.

Exhibitors

The National Baptist Congress of Christian Education Health and Wellness Initiative is a collaborative effort of National Baptist churches, medical professionals, and health related organizations committed to health outreach and prevention education (H.O.P.E.).

African American Network Against Alzheimer’s – *the nation’s first and only national network of African Americans committed to mobilizing communities to achieve the goal of finding a treatment or cure for Alzheimer’s by 2020.*

American Cancer Society – *a nationwide, community-based voluntary health organization dedicated to eliminating cancer as a major health problem.*

American Diabetes Association – *dedicated to preventing and curing diabetes and to improving the lives of all people affected by diabetes.*

American Heart Association/American Stroke Association – *The American Heart Association/American Stroke/Association is dedicated to building healthier lives, free of cardiovascular diseases and stroke through a key faith based initiative – EmPowered To Serve. Please join the community to learn more at <http://empoweredtoserve.heart.org/home>.*

American Kidney Fund – *combats kidney disease through direct financial support to patients in need, health education, and prevention efforts.*

Appliance Therapy Group – *through its SMILE Foundation assists dentists in developing the techniques and skills necessary to integrate Appliance Therapy into their practices.*

Easter Seals – *provides exceptional services, education, outreach, and advocacy so that people living with autism and other disabilities can live, learn, work, and play in our communities.*

Ezra House Consulting – *a progressive Christian firm that focuses on the intersection of faith and health with regard to HIV/AIDS, mental health and substance abuse.*

Centers for Medicare & Medicaid Services (CMS) – *administers several critical programs: Medicare, Medicaid, the EHR Incentive Program, and the Health Insurance Marketplace implemented under the Affordable Care Act. Visit CMS’ exhibit to learn about these programs and speak with a CMS spokesperson. Also visit our websites at www.cms.gov and www.healthcare.gov.*

New Hope-Baton Rouge/Alabama H.O.P.E. Health Network/Rising Sun Usher Federation of Northwest Mississippi and H.O.P.E. Ministry – *a Tri-State health ministry collaborative committed to empowering local congregations to incorporate health and wellness.*

National Baptist Convention, USA, Incorporated H.O.P.E. HHS Partnership – *part of the NBCUSA Federal Faith-Based Initiative, is the Convention’s liaison to the U.S. Department of Health and Human Services.*

National USA Foundation – *the philanthropic arm of the NBCUSA.*
