

EBOLA CALL-TO-ACTION IN WEST AFRICA

Help The Foreign Mission Board Fight Ebola in Guinea, Sierra Leone, and Liberia

Heal the sick...

Goal: \$50,000

Needs: medicine, food, disinfectant supplies, and protective equipment to contain the virus.

- Recent Ebola outbreak in West Africa has killed over 1,800.
- Virus spreads through direct contact with bodily fluids, contaminated objects, and infected animals.
- Symptoms include fever, severe headache, weakness, diarrhea, and vomiting.
- Containing the spread of the virus is the best form of prevention.
