About the Congress . . .

The National Baptist Congress of Christian Education Annual Session is the education arm of the NBC, USA, Inc., and is responsible for teaching and training classes covering every aspect of Christian Education. The training session consists of both inspiration and instruction.

World renowned, distinguished preachers lend their voices to the Christian discourse, setting a standard for others to follow. Gifted instructors share Biblical truths, creative ideas and practical solutions to students attending classes. The Congress equips Christian education leaders with the necessary information and teaching techniques to fulfill their respective roles in their local ministries with excellence.
