## Solidarity WITH THE SAVIOR

It is with great joy that I welcome each delegate and friend to our first annual session of the National Baptist Convention, USA, Inc. during my tenure as president. I am excited and humbled by what I expect God to do through and with each of us.

I am profoundly thankful to the local host committee led by Dr. John Modest Miles and a host of capable pastors and lay persons. They are planning for us a memorable and meaningful convention experience.

Let us be prayerful that God will grant to us safe passage to Kansas City, Missouri, and also grant to us a Spirit-led session in which His name is glorified and the body of Christ is edified.

For the cause of Christ,

Julius R. Scruggs, President  
National Baptist Convention, USA, Inc.

Greetings!

Again, it is my delightful privilege to greet you in this 109th annual gathering of the Woman's Auxiliary during the 130th Annual Session of the National Baptist Convention, USA, Inc. We have enthusiastically joined forces with the leadership of Dr. Julius R. Scruggs to make "Solidarity with the Savior" a convention reality. We pray for and with him as he presides over the first annual session of NBC under his tenure as president.

The state of Missouri, often referred to as the "Show Me State," will again, with their co-Hosts, Nebraska and Kansas City, Kansas shows us the grand hospitality that they are known for and that we enjoyed back in 2003.

We salute the General Chairman, Dr. John Modest Miles, and the great Host Committee for every effort and all of the energy harnessed to prepare for our coming and to royally host us while in their presence. We have no other agenda while in their fair city, than to acclaim our "Solidarity with the Savior," Jesus Christ.

Our hearts are filled with gratitude for the special efforts of the women of Missouri (Dr. Claudia Fowler, President, Dr. Jimmy L. Brown, Convention President); Kansas City, Kansas (Sister Armelita Williams, President, Dr. R. L. Baynham, Convention President), and Nebraska (Sister Lillie Holmes, President and Dr. Thomas L. Smith Sr. Convention President). Thanks for all that you have done to make our stay and our sessions memorable ones.

A special thanks to Sister Janet Miles for her connections in regard to gifts provided for the women.

We join President Julius R. Scruggs with great appreciation for his vision for the convention and salute him for all that he will accomplish with our help during his tenure.

We believe that God will enable us to join hands and hearts during this time of fellowship, worship and praise, and that He will continue to shower us with His favor as we seek to make Him known throughout generations to come.

Your sister in service,  
Hugh Dell Gatewood  
President of the Woman's Auxiliary, NBC, USA, Inc.

*It's in Christ that we find out who we are and what we are living for. Long before we first heard of Christ. . . He had His eyes on us, had designs on us for glorious living, part of the overall purpose He is working out in everything and everyone.*

—Ephesians 1:11

Greetings in the most precious name of Jesus the Christ:

I am grateful to Dr. Scruggs for the opportunity that has been afforded me to serve as President of the NBC Ushers and Nurses Auxiliary. I thank each individual who has accepted the challenge to make this auxiliary everything that God has designed it to be.

My prayer is that we see the vision of the harvest that lies before us and begin an inward search to see what can be done as an individual member of this Christian body to raise the moral standards of our communities, our states, and our nation.

I look forward to this annual session with great expectation that it will provide for us the opportunity to fellowship, worship, and dialogue concerning the issues that will help to make us a better people.

I take this opportunity to thank my pastor, Dr. James H. Tucker, my family, my church family, and those who have supported me, encouraged, and even challenged me to be all that God would have me to be.

To God be the glory for all He has done.

Providing perspectives on issues we face as people of faith.

**YOUNG ADULT**

**THE NATIONAL BAPTIST VOICE**

THE CHURCH IS ONE OF THE MAJOR DOGS IN THE AFRICAN-AMERICAN COMMUNITY. FROM THE TIME OF SLAVERY THROUGH THE CIVIL RIGHTS MOVEMENT, the first place people would turn in times of distress then there seems to have been a falling away from among the young adult population. According to a U.S. Religion Landscape survey, without counting the historically black church.
