The Ministers' Division is open to ministers and other interested persons. This division is designed to offer information and inspiration. There is one general seminar, which enables the speakers to relate to all persons in the Division. Seventeen smaller seminars enable the ministers to deal with specific issues related to the work of the church and the minister.

The director and staff, along with the presenters, are expected to register with \$100. Each participant is expected to register with \$75. This enables us to meet the budget for this department.

There is no prerequisite for enrolling in the Ministers' Division, although there are many ministers who choose to enroll in other courses in the Congress. Persons who have taken the Ministers' Seminar for at least four years will qualify to be admitted to an Advanced Project. Bring your course cards to the Dean's office by Monday.

**Ministers Please Note:**

Ministers paying \$75 will receive a package containing 14 or more addresses, speeches, etc., including the President's, Dean's, and other General Assembly addresses. Please **DO NOT** include this payment with the church's registration fee. However, each minister should be a delegate on the church's regular Registration Enrollment Letter.
