

NATIONAL BAPTIST CONGRESS OF CHRISTIAN EDUCATION

An Auxiliary to the National Baptist Convention, USA, Inc.

Dr. Julius R. Scruggs, Convention President
Dr. George W. Waddles, Sr., Congress President

Dear Christian Singles:

I am excited to announce the format for this year's Singles Conference. As you know our President announced four years ago His vision to have 30,000 delegates in class in our annual session. We can do this. To accomplish this vision, I have asked the President to bring the delegates to the Singles Conference together with all delegates to the annual session and build a 30,000 delegate Congress 2013 in St. Louis, Missouri . It will take all of our efforts this year, but this can be done.

I call this a **"Meet Me In St. Louis Singles Rally"**. We are asking every Christian single to join us in this history making session. Come and register for one of more than a hundred classes. On Wednesday night come to the plenary session and rally with us in a 1,000 Single Christians Committed To Christ Rally. We will have badges available for a small fee for all singles to display called Single, Saved, and Satisfied. We want you to show your badge all week long.

Please make your Hotel reservations early, register for the class of your choice, meet us at the Dean's Address, President's Address, and the Young Adult Explosion wearing your special singles ribbon. We want to send a powerful message to the world that Christ is the Head of our life.

Since we are meeting in St. Louis , we will not meet in the month of August for economic reasons. The President does not want to over extend delegates' resources.

Many of you may be graduating from one course of study in St. Louis , or working on your certificate of progress, so let us all come together this year and experience informative classes, outstanding lectures, and inspirational messages and pack St. Louis out. You will be glad you came.

"Meet Me In St. Louis Christian Singles Rally For Christ..."
