January 17, 2011

Greetings Beloved of NBC, USA, Inc.

It is with great joy that I welcome each of you to Nashville, Tennessee for our second Mid-Winter Board Meeting.

We have been blessed to finish the first year of our tenure. It has been a challenging yet blessed year. Of course, we were challenged by the two lawsuits that we faced, one which is still in litigation (the Epps lawsuit). Beyond those, we were blessed with a fruitful Winter Board Meeting, Congress in June, and Annual Session in September.

I am very thankful for the success we are having in our Haiti Ministry. The collaboration—comprised of the National Baptist Convention, USA, Inc., the Lott Carey Foreign Mission Convention, the Progressive National Baptist Convention, the National Baptist Convention of America International, and the National Missionary Baptist Convention, Incorporated—has been able to build 630 temporary houses in Cabaret, Haiti, and began in December, 2010 to build 630 more in Leogane, Haiti. As was previously mentioned, we are committed to continue our collaborative work in Haiti for another year. Let's continue to pray for the people of Haiti.

May our resolve continue to be to work in “Solidarity with the Saviour.”

Sincerely,

Julius R. Scruggs, President  
National Baptist Convention, USA, Inc.
