

## Music [and Arts] Auxiliary Mission Statement

The mission of the Music (and Arts) Auxiliary is to foster, throughout the NBC, USA, Inc., a biblically based and doctrinally sound worship paradigm that encourages, empowers, and employs the comprehensive, sacred artistic expressions within the body of Christ with excellence, inspiring the continuous praise and pleasure which God desires and deserves.

As an Auxiliary, we will...

**Educate** church leaders (i.e. pastors, ministers of music [worship], staff, etc.) in the area of the worship arts.

**Expose** church leaders to different forms of worship expressions.

**Equip** church leaders by providing the necessary worship resources to meet the specific needs of the ministry.

**Empower** church leaders by granting people the opportunity to employ new artistic expressions of worship in this Auxiliary/Convention.

**Evangelize** in the sense that persons who have gone through the above process will become advocates for a comprehensive, sacred, artistic, music expression.

# Excellence without Excuse!

From the Pen of the President

Sis. Angelique Banks Coleman  
President, Music Auxiliary

Dear Worship Leader,

*This year as I traveled to the five regions of our convention, I noted that God has greatly blessed National Baptist Convention, USA, Inc. with persons who are gifted in every area of the worship arts. We have choir directors; orchestra and band leaders; dance/mime choreographers; composers and authors; Christian and arts educators; musicologists; theater arts and puppetry directors; recording engineers, artists and promoters; audio-video technologists, and the list goes on. Further, we have persons gifted and trained in support areas, such as administrators, grant writers, financial advisors, event planners, computer experts, web designers, etc. We need all of you to help build a worship arts auxiliary that will be a viable tool to our member churches and to the greater Christian community, to the glory of our God and Savior Jesus Christ.*

*Please note that all sessions are called "work" sessions. Therefore, this Summit will be a casual setting (except for the worship celebration). We will come ready to roll up our sleeves, drink coffee, snack, and spend time with fellow worship leaders, brainstorming, developing, strategizing, as we begin to execute a national ministry of the sacred arts.*

*We need your input! This will be the time for you to present that idea that has been in your heart and on your mind with no outlet. Let it out at the Summit!*

*NBC is too big to be small in any area of ministry. Plan now to come to the Summit, join the team and help us do big things for an Almighty God! We have room for you.*

Blessings!  
President Banks-Coleman
