"This time God placed the idea on my heart to offer you options.

Goodness knows we need a few of those amid frantic schedules and demanding roles. You get to choose your level of participation." - Beth Moore

Choose your own level of study and participation. Level 1: Video study only (no homework) - perfect for busy moms!

Level 2: Video sessions + homework. Level 3: Level 2 + writing the Book of James. Level 4: Level 3 + reading the next level with Melissa. Level 5: All of the above + memorizing the Book of James.

DESCRIPTION:

James, Jesus' own brother, started out as a skeptic. See how one glimpse of the resurrected Savior turned an unbeliever into a disciple with Beth Moore's study James: Mercy Triumphs. Once you get to know both the man and the Book of James, you'll never be the same again.

Bible scholars compare James to the prophet Amos. In other ways, James more closely resembles the Book of Proverbs than any New Testament book. James is a book with many topics -- social justice, joy, hardship, faith, reversal of fortunes for rich and poor, wisdom, gifts from above, single-mindedness, the dangers of the tongue, humility, and prayer -- all of which are covered in this study. (8 video sessions with 7 weeks of print study)
