

Sermon Notes

January 29, 2017

Welcome to Family

I had the privilege of growing up in church. The pastor would choose a theme song for the year and every Sunday morning for a whole year we would start the service with the same song. One year the song was titled "Expect a Miracle." It goes like this: Expect a miracle every day, expect a miracle when you pray, if you expect it God will find a way to perform a miracle for you each day. My prayer is that you came today expecting a miracle. The good news is that we serve a miracle working God. No matter what you are facing, I assure you that if you put your faith and trust in God, He will bring you through.
