- Denver Social Networking

The Hub is designed to allow a church planter do what they does best...**minister to people**. The hope is that by providing practical and relational resources to church planters that their attention can be focused on finding a place for their church to meet and ministering to people. By connecting with other seasoned church planters, the planter will be able to lead his people more affectively as he learns from other pastors. Since The Hub will house other church planters the sharing of resources, ideas, best practices, and mentoring will because a natural aspect of cooperating together.

Location

1368 26th St. Denver, CO 80205

The Hub is located in a renovated warehouse in urban Denver, CO a few blocks away from Coors Field. The unique opportunity for this location is that it is currently leased by Green Spaces a sub-leasing company helping launch eco-friendly businesses. With our location being among other Denver entrepreneurs, we will be able to connect with Denver culture by working along side of these up and coming businesses.

PRICE: \$250/mo Per Desk
