The Sheepfold Ministry Concept

In ancient days, the sheepfold, as it related to beast, was sanctuary for sheep. It was physical structure built **formidably** so that sheep could be accounted for and protected from wild animals. We people of God, believers in Christ in particular, can relate to the symbolism offered by the literal translation. In relating, we translate the symbolism into concrete goals and try to put into **practice** those principles that would do for fellow members what a physical structure did for sheep.

The Sheepfold also addresses another concern, in addition to that of safety/sanctuary. It provides an orderly means of instituting the ministry of caring (“...to watch over one another in love”...). Caring has to begin with, first, acceptance of fellow Christians as brothers and sisters. It is important that we get to know one another. Through knowledge and caring, we gain the capacity to respond to the spiritual needs of God’s people, as needs surface. The ministry is not an absolute one. That is to say; there does not exist a list of concerns etched in stone that requires our response. but rather, through greater awareness and adoption of the spirit and personality of our Christ we become more creative in our response to each other. Contributing in our small way to the advancement of the Kingdom.

Each member becomes a participant in the sheepfold structure. There are ten groups within the church they are an integral part of the larger church body in which smaller groups of believers work, pray and fellowship for the growth and strengthening of the entire congregation. Because our congregation is so bountiful (it continues to grow), it is difficult for everyone to know each other personally. It is hoped, However, that within the Sheepfold grouping, fellow believers will get to know each other and minister to each other’s needs. We will do so with love. *“If anyone says, ‘I love God,’ yet hates his brother, he is a liar. For anyone who does not love his brother, whom he has seen, cannot love God, whom he has not seen.”* (1 John 4:20, NIV)

What is the purpose?

The ministry is established to create closer ties among members. Improve communications between member and church office. It aims to provide a mechanism with which the Rising Star Church family can actively show concern/caring for the individual member and assist his/her growth in the grace of our Lord and Savior Jesus Christ.

Structure

The basic structural outline of the program comes from the principle of shared responsibility first outlined in Exodus 18 by *Jethro, the father-in-law of Moses*. After observing the demands upon Moses by the horde of Israelites, Jethro gave him some wise advice (read the 18th chapter of Exodus). His counsel to Moses sets forth a method whereby the large assembly of Israelites could have their varied concerns addressed without *overburdening* Moses with the requirement to address each and every one. The entire assembly was *divided* and a leader was appointed down to the tenth.

Sheepfolds serve as the primary point of contact for members who are ill, disabled and disconsolate, or have encountered other difficulties. While the entire congregation will certainly respond in an appropriate manner when informed, the Sheepfold should know of problems/illness as they occur and begin ministry.

The Sheepfold is the unit within the general church body where graduations, promotions, births and other joyous experiences should be known and shared first.

The primary focus of all is the concern for the physical and spiritual well being and comfort of each member of the Sheepfold. Each Sheepfold is named after a significant figure from the Holy Bible. The outstanding character traits of the person identified are raised as a model for Sheepfold members to emulate.
