May God continue to bless you & Nichols Street. We love you.*

(Bulletin Article continued from front)

Just as we are now enjoying the cool temps of winter, we all know that it won't be long before the heat and dry conditions return. In the same way, we must prepare ourselves for the reality that just because we have made a decision to follow Christ, this will not keep the difficult times and temptations away. They will come and they will test the depth of our commitment.

The choice that we must make is whether we will invest the time and effort to prepare our hearts not for just the reception of God's word, but for its continual growth. And that will take a commitment on our part to dedicate ourselves to the reading of the Bible and to habitual prayer. As Jesus said then let me say now, "Whoever has ears, let them hear!"
