

Why We Tithe and Give Offerings

1. **PASSION:** We tithe and give offerings because we are passionate about our relationship with God and His church.
2. **AFFILIATION:** We tithe and give offerings because we want to be an active team participant with others in meeting the needs of this local church.
3. **TRADITION:** We tithe and give offerings because this is the Biblical and traditional way through which God makes provision for His church and without which the ministries of the church would be crippled or even cease to exist.
4. **RECOGNITION:** We tithe and give offerings because we want to be rewarded by God for our faithful stewardship with what He has given us.
5. **INSPIRATION:** We tithe and give offerings because we believe that God is visibly at work in this church, its leadership, and its members.
6. **OBLIGATION:** We tithe and give offerings because we believe it is our responsibility before God to do our part to support the work of the local church.
7. **TRANSFORMATION:** We tithe and give offerings because we want to make a difference in people's lives, in the church, and in our society.
8. **INVITATION:** We tithe and give offerings because we believe God has invited us to work with Him in winning souls and making disciples through the church.
9. **COMPLETION:** We are faithful to tithe and give offerings because we must work while it is still day and while the opportunity remains.
