

Welcome to Veritas

We welcome you to Veritas Church this morning. We are so glad you are here to worship with us this morning. We pray you experience God in a fresh, new way and come to a deeper understanding of Him.

We started by diving into the story of Nimrod and his wife Semiramus and their "miracle" son. This counterfeit of the gospel story forms the basis of ancient Babylon. We examined the similarities between Babylon and the Catholic church today. In the same way, the woman in chapter 17 represents a religion that will believe it has control over the beast. Yet when the beast is through with her, she will be devoured. We, too, need to be careful as Christians when we think we can control the political establishments. Focus on Jesus. Don't be deceived by the world and its institutions.

This week we continue with the story of the destruction of Babylon in chapter 18.
