"I will turn their mourning into gladness; I will give them comfort and joy instead of sorrow"

- Jeremiah 31:13

The Homestead is a new venue of ministry for Westview Community Church. The vision for The Homestead is a safe, residential house that is used to minister to women who have exited the sex industry and are ready to begin the reintegrative stage of recovery.

Few reintegrative shelters exist in the United States for women over the age of 18.

*We want to change that.*

*You can help.*

## OUR STORY

After praying about ministering to women in the sex industry for almost 2 years, Westview's Women's Ministry was blessed with a financial gift. The home that launched the ministry was donated shortly after. We experienced an avalanche of generosity by individuals and businesses in the community.
