## Our Heritage

Westview Community Church, formerly the Manhattan Wesleyan Church, was organized in 1938. The congregation first occupied a small building on Moro Street and in 1948 built a stone church on Poyntz across from City Park. In the early 1980s, our present building was constructed.

The first addition to our building was completed in 1990, consisting of a two-story educational unit and office complex. The second addition, completed in 2002, includes offices, classrooms, a kitchenette and a student ministry area.

Westview is affiliated with The Wesleyan Church, headquartered in Indianapolis, Indiana, which includes nearly 5000 local churches in over 70 countries worldwide. In addition, Westview is a member of the Willow Creek Association which represents over 80 denominations and 12 international affiliates who share resources.

The Wesleyan Church finds its roots in John Wesley and the early Methodist leaders in America. Wesleyans are committed to the doctrine of salvation by faith and its application in holy living.

## Our Beliefs

We believe the good news that faith in Jesus Christ makes possible a wonderful personal relationship with God, a holy life empowered by His Spirit for witness and service, and assurance of eternal life in heaven.

We believe in one God, who is Father, Son and Holy Spirit, and the Savior of all men and women who put their faith in Him alone for eternal life. We believe that those who receive new life in Christ are called to be holy in character and conduct, and can only live this way by being filled with the Lord's Spirit.

We believe in the Bible and seek to establish our faith and actions on its teachings. We believe God's will is for people everywhere to know Him and that the purpose of the Church is to tell the world about Christ through its worship, witness and loving deeds.
