

WHY SPIRITUAL DEVELOPMENT?

- To help us learn the good news of Jesus Christ and to encourage us to grow in a deeper relationship with Him.
- To emphasize the full breadth, depth, and goodness of the character of God.
- To foster emotional, intellectual, relational, and spiritual maturity that is demonstrated by the Holy Spirit's fruit, gifts, and power.
- To increase our knowledge of the Bible; to learn from a Reformed theological perspective; and to lay a strong foundation of the Christian faith so we might be witnesses to all.
- To celebrate the richness of Church history and our Presbyterian heritage.
- To inspire the practice of all the Christian disciplines including prayer, worship, study, fasting, meditation, simplicity, solitude, submission, service, confession, silence, guidance, and celebration.
- To instill a Biblical worldview and values into all areas of life by presenting Biblical truth that is propositional, relational, transformational, and emphasizes life application.
- To engage with cultures in relevant and redeeming manners.
- To develop an edifying Christian community that embraces the fullness of joy and sorrow of life lived in the already, but not yet, kingdom of God.
- To address the unique needs of Trinity's congregation.
