Outreach

The local community is fertile ground for the work of Jesus Christ and for us—His laborers!

“Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.”

-Matthew 25:40

Outreach Events

Christmas Events

Two separate concerts—designed with the purpose of bringing Christmas to the community within Trinity's doors. Share the Christmas spirit with your neighbors, friends, and community.

30 Minute Services

Twice a year, we shorten our worship services by 30 minutes in order to "be" the church in our community.

Monthly Date Night

Reaching out to the community parents!

Enjoy a night out while adults & youth from Trinity provide fun activities for children aged 1-12.

Huffman Park Project

Together with Huffman Elementary School and the Huffman/O'Malley Community Council, TPC is working to improve and enhance Huffman Park for community use.

Community Bridge Events

Community Bridge Events are a great way for you to supporting several different organizations in a very unique way... by uplifting those who give of themselves daily.

We are dedicated to finding ways to "love on" the very volunteers who make local missions and community support systems possible. What a great way to re-fuel their energy and keep the light of love and compassion shining.

Still haven't seen your niche???

Outreach Ministries is the place for you. We are motivated to serve the needs of the community and church.

This is a great opportunity to get hands-on experience in a program you helped create from the ground up.

We welcome interest, ideas, and all interested people to create and implement new programs as well as revitalize existing programs in order to continue being "filled up and poured out" in the name of Christ.

Please join our team and experience outreach as a servant of the Lord.
