Women's Ministry at Trinity is a place for women to connect with other women to develop friendships and relationships that help us strengthen each other as women and grow in our relationship with God. It is a place to come together to study God's word from a woman's perspective. It is a place to do fun things with each other. It is a place to reach out to other women. It is a place to connect with women of other generations as we learn from each other, especially when our own families are far away. It is a place where the unique needs of women are recognized and ministered to by bringing women together to share God's love with each other.

Heart to Heart

Titus 2:3-5 admonishes older women to teach and disciple younger women.

This ministry helps older and younger women develop important, supportive friendships by partnering them in a friendship relationship to share experiences, dreams and their walk with the Lord.

Looking for a new opportunity to offer your leadership skills and make a difference in the lives of women? Prayerfully consider the invitation to serve as the Women's Ministries Director. Contact Tammy Letts for a position description and more details at 345-4823.
