In preparation for 2017 events, we are hoping for organizations to partner with Voice of Hope by underwriting some of the cost of our fundraisers. Our goal this year is to raise a total of \$65,000. In order for that to be possible, we will need Corporate Sponsor commitment to cover the expenses of fundraising; which are a total of \$15,000.

If your organization would like to underwrite Voice of Hope fundraisers, please complete the last page and send it to our main office.
