Voice of Hope Pregnancy Centers in Crawford, Marion & Wyandot Counties

We Need Your Help! The next six months will determine whether or not the ministry can afford to keep Bethel Women's Clinic and its life affirming ultrasound machine operating.

In 2008, the Board of Directors prayerful determined that it was time to pursue offering ultrasound imaging to further our efforts to spread the truth about pregnancy, protect the unborn, and help women avoid the often devastating abortion path. It was the Board's belief that the drastic increase in budget needs from this new and exciting endeavor would be matched by increased support from the communities we serve.

Unfortunately, for several months we have been running short – able to pay our bills but eating away at our savings. Obviously, this cannot continue.

It takes \$175,000 annually to run this ministry - three Voice of Hope Pregnancy Centers and the Bethel Women's Clinic. In the past twelve months we have served over 800 women, provided 149 pregnancy tests, 642 Earn While You Learn appointments were attended, 42 ultrasounds were performed and much more. Since adding the medical clinic we have seen a dramatic increase in clients in the Marion area and our pregnancy test rate increased by 140%. The word is getting out in the community and we are seeing several abortion minded and abortion vulnerable clients.

Recently, we were visited by Sarah* (name changed), a young girl who had received a pregnancy test and ultrasound at our Clinic six months prior. At that time, Sarah felt she was too young to have a baby, and spent some time talking about her options with our Nurse Manager, Lois. As is often the case, Sarah left without us knowing what the outcome of this pregnancy would be. Imagine our delight at seeing Sarah six months later and learning that she had decided to carry her baby and place the child in an adoptive home. She even wanted us to meet the adoptive parents! Only God knows how many lives are truly being saved through the Bethel Women's Clinic, but stories like Sarah's are testimony to the power of ultrasound and God's hand in our ministry.

Our fundraisers are a tremendous blessing and in past years, provided enough to supply the Ministry's financial requirements. But they fall short of supporting the Medical Clinic, ultrasound and all of the costs that go with it. Therefore, we need regular, ongoing and predictable financial help to continue in our mission of impacting lives. Would you consider becoming a monthly donor of at least \$30 per month, that's \$1 per day; or make a significant one time donation.

For your convenience, you can donate online at www.betheldonors.org. or checks can be sent to 429 N. Warpole, Upper Sandusky, OH 45331.

We look forward to continuing to serve in our communities, and to serve WITH our communities. We look forward to celebrating what the Lord has done through YOU, his people.

Sincerely,
The Bethel Board
