Medical Clinic and Ultrasound Update

Greetings Newsletter Readers

The past few months have been very progressive for Bethel Ministries as we move toward the conversion of the Marion Voice of Hope Pregnancy Center to a life-affirming Medical Clinic. Bethel Ministries has recently been extremely blessed by another Pregnancy Center in Ohio that is currently a medical clinic. The Bowling Green Pregnancy Center contacted Bethel after the previous newsletter and notified us of wanting to donate an ultrasound machine. They were able to donate their former ultrasound machine to Bethel Ministries in April and we graciously accepted this gift. The new machine is in excellent condition and will be a great starter machine for us at the new clinic. However, we are still in need of funding for the ultrasound training that must occur before the clinic can open. Once the medical team is in place each nurse must attend a limited ultrasound training session, these trainings can cost nearly \$10,000. God has many great things in store for Bethel Ministries and the Medical Clinic and with your continued help and support we hope to have the clinic up and running before the end of 2010.

How Can You Help?

Bethel Ministries is now searching for medical professionals that feel God calling them to use their skills and talents to be a part of our ministry. For the Medical Clinic to run properly and meet legal and medical standards, we are in need of medical personnel. The types of medical personnel needed are: registered nurses, sonographers, ob/gyns, and doctors who are comfortable with reading ultrasound scans.

If you know of anyone who would be an excellent candidate for any of these positions please do not hesitate to contact them or contact Bethel about said person. You can also be in prayer with us for the "right" people to come forward. We truly believe that God has some amazing people in store for our Medical Clinic. Please join us as we start this journey together.

I am so very excited about what all God has been doing with myself and the ministry as we work toward the conversion of the Medical Clinic and I know that God has great plans in store for Bethel Ministries and the clients we serve. If you are interested in getting more information about the Clinic or being a part of the conversion/staffing process please feel free to contact me at 419-294-2273 or through email at bethel@bizwoh.rr.com

May God Continue to Bless You and Your family

Check out the "Who we Are" page to see our Board of Directors and Staff profiles. Feel free to donate online through our safe and secure website, by clicking on "How to Help" page.

BABY BOTTLE BOOMERANG

\$ 13,010.54

Churches have been returning baby bottles back to the ministry, and some are still receiving bottles to fill. How it works: Bethel distributes empty baby bottles to churches and other organizations where participants pick them up, take them home and fill with loose change, cash or a check. Then they bring the bottle filled with their donation back to church or collection point. Finally, one of our staff or volunteers picks up the bottles and brings them to our office where we track your groups giving.

The Baby Bottle Boomerang is also a great way to get your whole family involved in the giving. You may also honor a loved one by simply completing the bottle enclosure and we will send an "In Honor Of" or "In Memory Of" card on your behalf.

If you or your church would like to participate in the Baby Bottle Boomerang, please call our office at 419-294-2273.

You can still participate. JUST CALL. WE CAN DELIVER TO YOUR CHURCH.

GERANIUM SALE

Voice of Hope teamed up with Crestline St. Joseph and Galion St. Joseph

Schools to promote Sanctity of Life through a Flower Sale. The flower sale ran through the month of April with the flowers to be delivered just in time for Mother's Day. This year there was excellent participation from the students at the schools.

The top sellers from each school were, Hunter Cress, (Crestline) and Nicholas Jilek (Galion). Through this flower sale "Voice of Hope" was able to raise \$ 1,400. Great work to both of the Schools this year and a big "Thank You" to everyone who purchased geraniums and hanging baskets.
