In today's world there are still young people like Catherine willing to give up their gifts that they might receive and give it to others. May God Bless you Catherine for your unselfish giving to

Bethel Pro-Life Ministries Annual Fall Banquet

Every year Bethel Ministries hosts a fundraising banquet to help offset the expenses of our ministry. **This year, Bethel Ministries will host our annual Fall Banquet in Downtown Marion Ohio at the Park Place Banquet Facility. The event will be held on Thursday September 30, 2010 at 6:30 pm.** I truly believe that this year our banquet will surpass all goals and help us reach our budgetary needs as we embark on this new Medical Clinic journey. We would love for you to consider being a table sponsor this year; table sponsorship will underwrite the cost of the banquet so that all monies raised that evening can go directly to the ministry. I encourage you to be in prayer about what level of sponsorship to consider.

| Bronze Table | \$75-\$150 |
| Silver Table | \$151-\$250 |
| Gold Table | \$251-\$500 |
| Platinum Table | \$501-\$1,000 |

I truly stand in awe of God's amazing love, grace, and generosity to our ministry and its supporters. Every single volunteer, board member and staff member serve as a witness to what God can do and how much saving the innocent lives of children is a part of His heart. We would love for you to share in the joy and excitement that is Bethel Ministries. I would personally like to thank you in advance for your consideration and response to our Banquet. Every day I look forward to what God is going to show or teach me and I feel blessed to be a part of a ministry such as Bethel.

Will you be a Table Host or Banquet Attendee?

For 22 years Bethel Pro-Life Ministries has been changing the lives of women and families experiencing unplanned pregnancies in Ohio. It is our desire to reach women and provide them with accurate and current information so they can make the best decision possible regarding their pregnancy. A recent project, to help meet this goal, is to convert the Marion Voice of Hope Center into a Medical Clinic. By having a medical clinic, we will be able to show women that there really is a life inside and not just a blob of tissues, through the use of ultrasound technology. Research shows that 70% - 90% of women will choose life for their baby after having an ultrasound scan. With so many attacks on pro-life organizations and legislation, it is vital that we continue to grow with the technology to better reach the women in our communities.

It would be amazing to do this type of ministry without the need for financial support; however that is not the case. Bethel Ministries needs help of our faithful donors as well as new donors to come forth and support the ministry. We truly believe that lives are changed each and every day our Center's are open and invite you to be a part of it all.

We would ask you to be in prayer about becoming a **TABLE HOST** at our banquet this fall. There is no cost to be a **table host**; you simply invite like-minded people who believe in the sanctity of human life to sit at your table for the evening. The banquet will include history and goals of Bethel Ministries, a formal dinner, powerful guest speakers, client testimonies, and an opportunity to donate financially. If you would like to be a table host, or just attend the banquet, please call us at 419-294-2273.
