Bethel Women's Clinic Update!

Well a lot has happened since our last newsletter and I cannot express how great God has been to this ministry as we are SO CLOSE to opening our Medical Clinic!

We hired Lois Duncan as our Nurse Manager in November and she has been a blessing to this ministry and a big help in getting the Medical Policies in place. Currently Lois is finishing up her ultrasound training and plans to be doing ultrasound as early as April, Lord willing. Lois is excited to be part of this ministry and is ready to do God's work – she would love to meet all of you. Her office is located in the Marion clinic so stop by and say Hi.

We know that the Medical Clinic is something that you have been hearing about for quite some time and we would LOVE to actually share the location and blessing with you. WE will be holding an OPEN HOUSE for the community on April 14, 2011 from 5:00 – 8:00pm at the new Bethel Women's Clinic which is located at 1199 Delaware Ave. Suite 110 in Marion, Ohio. I truly hope you will come and visit this new facility and see just what we have talking and praying over for the past year.!

It's that Time of Year Again! Spring is Just around the Corner!
