

*The best teacher is the one who suggests rather than dogmatizes, and inspires his listener with the wish to teach himself.*

Edward G. Bulwer-Lytton  
(1803-1873)

“Give ear, O my people, to my teachings... we will not hide them from (our) children, but tell to the coming generation the glorious deeds of the Lord, and His might, and the wonders that He has done, that the next generation might know them...

and arise and tell them to their children, so that they should set their hope in God and not forget the works of God, but keep His commandments.”

Psalm 78
