- An update on insurance benefits was given. Members are encouraged to look at the Councils reading file for more details on the different options. It doesn't look like insurance benefits will change on July 1, 2010 as the City had originally hoped for. The City is looking closely at becoming self insured. Group Health members will not be effected by these changes.

- The AFSCME International Conference is being held in Boston on June 28-July 2, 2010. Please let Anja know if you are interested in attending as soon as possible.
