

Great things are happening at Destiny Church!

### Welcome to Destiny Church

Welcome to Destiny Church....a place for everyone to experience God and to express His love! We are here today with expectation in our hearts for God to do some great thing in our lives on a personal level. We also expect to experience God corporately as we gather in Christ's Name. He promised us He would be here. As we praise God, share what He is doing in our lives and hear from the Holy Spirit through an inspiring and relevant message from our Pastor we expect a God encounter. Our hope is that you will let God speak to your heart and not be concerned with any preconceived ideas about what the Church is all about. God's plan for you is genuine freedom, so enjoy it.

### Special Guest TODAY

Russ and Kim Kline, along with their miracle daughter Shekinah (born October 19, 2001 after 17 1/2 years of marriage), travel internationally in prophetic/evangelistic ministry. They desire to see closure come to the Great Commission and to see the Gospel of the Kingdom taken to every people group on earth. They have ministered and have much favor in many nations, including China, India, Pakistan, Bahrain, Singapore, Malaysia, Uganda, Russia, Poland, England, Ireland, Sweden, Holland, Germany, Belgium, Brazil, Mexico, Jamaica, Canada and the US. Russ and Kim feel that a great need in the Church today is the release of the anointing of the Holy Spirit through the lives of all believers, causing them to fulfill their God-ordained destiny. The theme of their ministry is "Shatter the Darkness." Isaiah 60:1 says, "Arise, shine, for your light has come, and the GLORY of the LORD is risen upon you." The world is on the brink of an invasion of the Spirit of God. To "Shatter the Darkness" in the world and in the church is the call that Jesus Christ has placed upon Russ and Kim.

Missions is a priority at Destiny Church! Three ways that we participate in missions is through praying, going and giving! Jesus said, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field." (Luke 10:2) We are committed to praying for the harvest and for the harvesters! That involves praying for our missionaries who are on the missions field and for more to join them, both home and abroad. I pray that God will use our church as a place where future missionaries can hear and obey the call to go! We can participate in missions by going ourselves, going to our local community through our Servant Evangelism projects and going on short term missions trips which are available to us through our Florida district and our many missionary connections. Missions trips will be a vital part of our church as time and growth enable. We participate through our giving. At the end of 2011 we committed financial pledges to missions for 2012. Our giving as a church extends to our children and youth as well. Our kids raise money through special missions banks designed to collect our loose change. These yellow banks are available to anyone to take home and fill and return over the course of the year. Our youth recently committed to raising a \$1000 this year for missions through an initiative called Speed the Light. Their zeal is contagious and we owe it to them to get behind their goal in any way we can. If you have a fundraising idea or would like to "hire" some of our youth for a home or business project in exchange for a missions offering to their Speed the Light goal, just let them know! We will focus at least monthly on our missionaries and on our missions giving so that we can stay faithful to our participation in the Great Commission. Plan to bring your missions offering for February next week, February 12th!
